### Reading

Please encourage your children to read for at least 30 minutes every day. After reading, they should summarise or write a short sentence about what they've read in their reading diary. Reading diaries will be checked every Monday.

### How can you help?

- Read regularly with your child every day
- Chant all times tables
- Research topic work
- Help your child practice their weekly spellings and check your child's homework.
- Please ensure your child comes to school with a **GLUESTICK**.

If you have any questions, please do not hesitate to get in touch.

Many thanks for your support.

Miss Rowena Omilegan.
